

Child Support Referrals

Child Support Referrals 42U.S.C.9919(b).

The Federal CSBG Act requires Yellowstone County Assistance Network while administer CSBG funding during each fiscal year, too:

1. Inform custodial parents in single-parent families that participate in CSBG- funded programs, activities, or services about the availability of child support services; and
2. Refer eligible parents to the child support offices of state and local governments

How Does YCAN Comply?

1. YCAN, through our online intake application, asks all individuals who indicate they are single-parent families if they are custodial parents in need of information or referral to child support offices of state and local governments.
2. We also have created an online post to inform our website consumers of child support offices of state and local governments at <https://ycanhelp.org/child-support-referrals/>
3. This information flyer is also posted in our Greybull administration office.
